

dyson pure hot+coollink

Intelligently purifies, heats and cools you.

dyson pure hot+coollink

Intelligently purifies, heats and cools you. Automatically removes 99.97% of allergens and pollutants as small as 0.3 microns.

Removes potentially harmful fumes and odors.

Purifies all year round. Heats with thermostat control in winter. Cooling fan in summer.

Automatically monitors, reacts & purifies, then reports to your Dyson Link app. So you can remotely control air quality.¹

Night time mode: Purifies using quiet settings and dimmed display.
